

Starting at the N. W. corner of the junction of Jacques and Dana Sts. at a point marked X on plan attached along the N. E. side of Dana St. to its intersection with Aiken Ave., thence following the east side of Aiken Ave. in a North East direction to the property line at the S. W. side of the premises numbered 314 & 320 Hildreth St. thence easterly along said property line to within five feet of the private way serving as an entrance to the private Hildreth Cemetery, thence S. Westerly at a distance of five feet from the private way and parallel to said private way to a point located five feet beyond, in a S. W. direction, the S. W. corner of the Private Way and Hildreth Cemetery, thence S.E. in a line parallel to the S. W. side of the Hildreth Cemetery and Private Way to a point five feet beyond, in a S. E. direction, the S. E. corner of the Private Way and Hildreth Cemetery and thence N. Easterly in a parallel line and five feet from the S. E. side of the Private Way & Hildreth Cemetery to the property line of the Town Cemetery on the S. W. side, thence along said property line to a point at the extended line of the N. W. side of Jacques St., thence S. W. along the N. W. side of Jacques St. to the point of beginning, X.

The general intent of this is to preserve a 5 ft. strip along the North West, South West and South East sides of the private way and private Hildreth Cemetery.
